THE GIRARDOT

Volume Eight

1926

Published Annually by the

Senior Class of

Central High School

Cape Girardeau, Missouri

FOREWORD

With the publication of the 1926 Girardot the present staff has completed its work. We have endeavored to record the events of this past year in such a manner as to recall them clearly and pleasantly to the students. If this Girardot proves to be a source of pleasure now, and will in the years to come bring back memories of our instructors and classmates, and of the athletic, literary, and social activities of the year 1926, the Staff will indeed feel well repaid for the effort put forth in compiling this annual.

TIGER SPIRIT

DEDICATION

To Miss Naomi Pott, who through her interest in
the welfare of the Students of
Central High School, through her kind and
courteous manner, through her desire to be of service
in all Central activities, has earned
the admiration and loyalty of the student body,
we, the Senior Class of 1926 respectfully dedicate
this volume of the Girardot.

Yours sincerely,

Naomi L. Pott.

GIRARDOT QUEEN

Miss Sample has, by virtue of getting the majority of the one hundred and thirty-five thousand votes cast by her fellow-students in the Girardot Queen Contest, been named Queen of the Girardot of 1926. Miss Sample maintained the lead from the first and altho closely pressed at times, finished with fifty-three thousand votes.

Miss Sample is truly a representative Central student. She played forward on the Tigerettes in the past season and promises to be even better next year than she was this. She is President of the Girls' Glee Club and plays the kettledrums in the thirty-piece orchestra sent to Columbia to represent Central in the State Orchestral Contest.

Ida Marie, as she is known to her friends, is a favorite in Central and is liked by all who know her. She is a member of the Girardot Staff and of the Red Dagger Dramatic Club. She is also a member of the Orange-Aids and the Girls' Reserve.

We, the Girardot Staff, are proud to name Ida Marie our 1926 Queen and wish her continued success in Central's activities. May her popularity become greater and her loyalty to Central long continue.

Miss Ida Marie Sample

Central's Faculty

Central has been fortunate in having a fine, cooperative faculty this year. Altho Belmont Farley, who has been our Principal for the past seven years, absented himself for the school year attending Columbia University finishing his work on an M. A. degree, Mrs Naeter and Mr. Masters have very efficiently and satisfactorily carried on his work.

The extra-curricular activities started last year have been carried forward with a "bang." The vocational clubs, covering a wide field of professions and vocations, are fast becoming the pride of Central. Early in the first semester a precedent was established when Miss Goddin formed Central's first girl's pep squad—the Orange-Aids. In the second semester Mr. Kamer organized a brother organization to the Orange-Aids and the Hi-Y known as the Head Hunters. These two squads certainly have pepped pepper into Central and we wish them success next year.

The matrimonial side of life has not been neglected by our teachers in spite of their hard work. The Christmas Holidays robbed us of Miss Goddin, who is now Mrs. Fred Springer; and Miss Thompson who became the wife of Mr. Walter Bohnsack.

The faculty has worked hard this year to put Central over big. A musical comedy of three acts was substituted for the annual County Fair and the faculty showed their true mettle by whipping, yelling, scolding, and threatening two hundred students into shape to put the thing over, all in five week's time. The students were glad when it was over.

The Girardot Staff regrets very much that Belmont Farley will not return as principal of Central next year. Mr. Farley has been principal of Central High School for the past seven years. During this time his progressiveness and pep have marked a great stride in the progress of Central. Only last year he organized a number of Vocational Clubs with the idea of giving the students, through these clubs, a better and broader idea of the many lines of work and vocations that would be open to them in life. Mr. Farley has been absent this year, studying at Columbia University to obtain his M. A. degree. He will continue his work there. Mr. Belmont Farley will certainly be missed by C. H. S. and Cape Girardeau.

The boys of Central will certainly miss Mr. Leo Eddaley McKinney, or "Mac", who will not be back next year. Mr. McKinney founded our Hi-Y about three years ago and has increased its activities until this year the Central Hi-Y sponsored one of the three Hi-Y conventions held in Missouri. Over three hundred boys attended the three day convention.

We believe our faculty will be hard to beat. Here's "three cheers" and a "hope you're coming back" to every one of you and we wish you "good times" in whatever summer resort or European port you seek to escape the trials and tribulations of the "perfesser's" life.

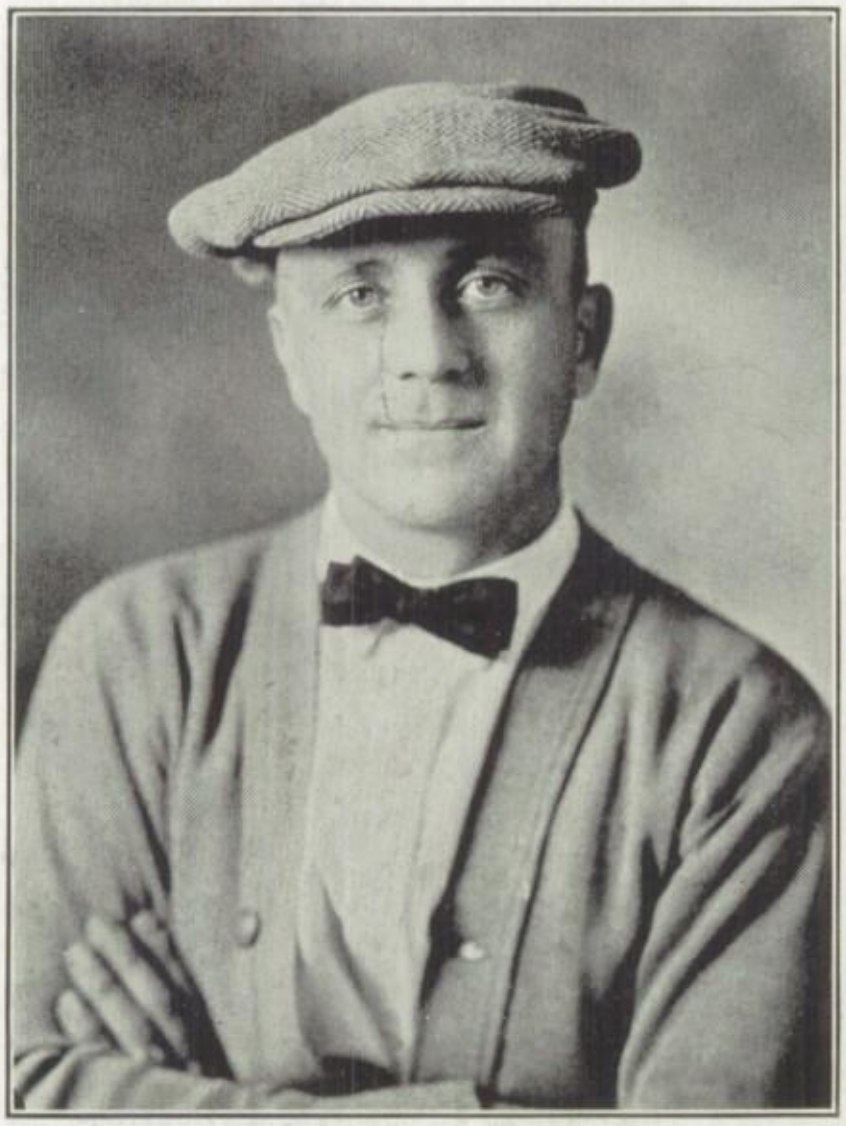
FOOTBALL



"Hap" Bernard

His Life and Deeds

Coach Bernard has for the past three years piloted Central's football, basketball, and track teams thru victory and defeat. He brought out a football team this year that was undefeated and against which only six points were scored during the entire season. He gave the basketball backers a real team which lost by only one point the Championship of Southeast Missouri. For this reason and because coach is very modest and we like to see him blush the Girardot Staff wishes to print the secret of "Hap's" success in putting out these fine Tiger teams. Here it is!

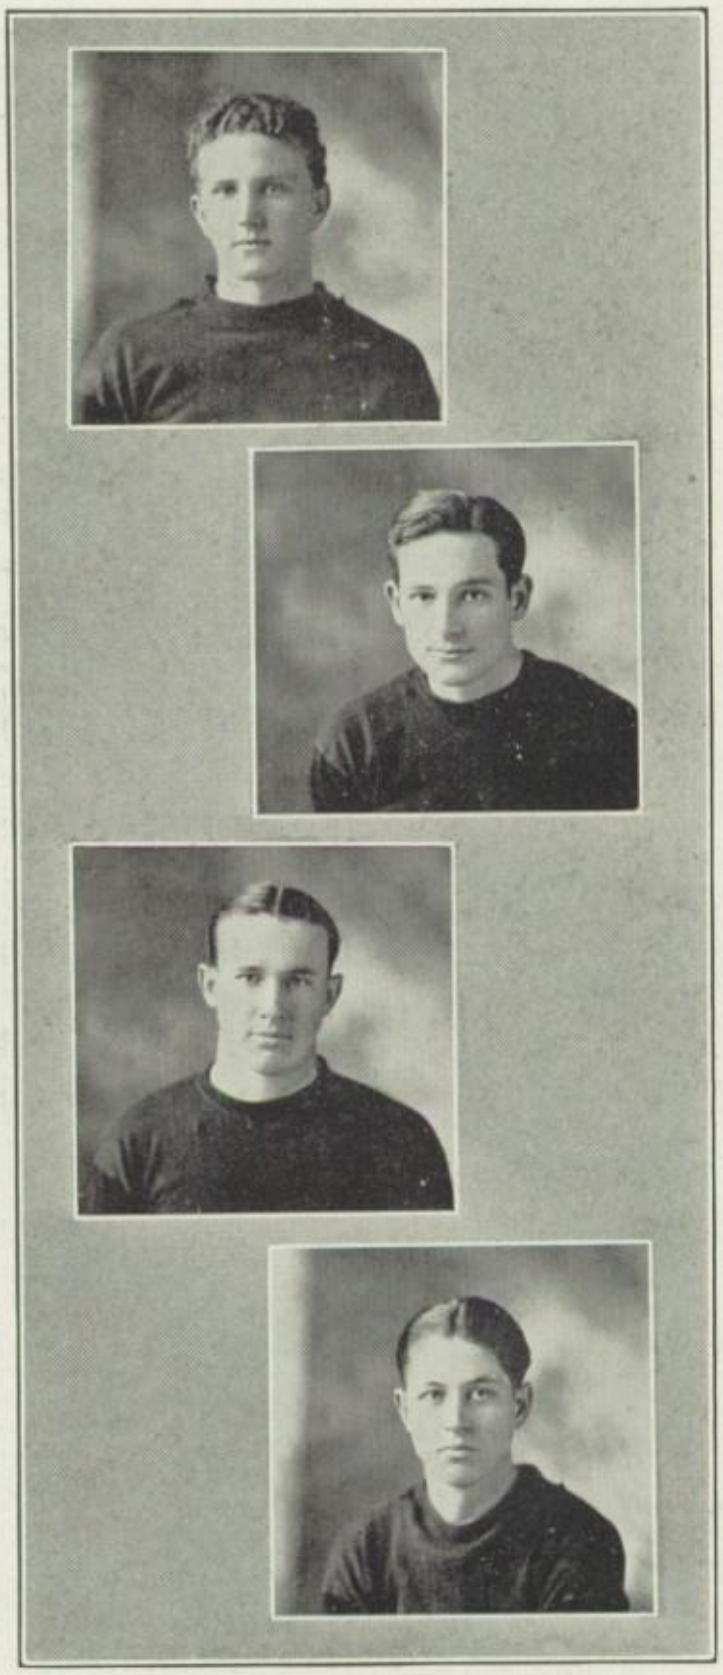
"Hap" Bernard attended the Cape Teachers College for four years. He played football every year and in his last year played a game rivalling Red Grange's. In this last year he made seven touchdowns from the kick-off and kicked the field goal for three points that beat the strong St. Louis University team. He played basketball and baseball for four years and went out for track two years, making during his sojourn on the Hill a record that has been very seldom equalled since.

When "Hap" finished college he went to Missouri U. where he made the freshman football team. Then he went to Washington State U. and, playing quarterback on the football team there, led the team to the Championship of the Northwestern league and was himself hailed as the All-Western Quarter-back.

Before coming to Central Coach was coach at an Iowa Teachers College. He was for three years the Director of Athletics of the St. Louis Athletic Club, and coach of Kirkwood High School for four years.

All of which shows that we don't know everything about our coach and that he knows everything about his business.

Football



KOCH—*"Tubby"*

Tubby stood as the backbone of the team this year and never failed to do his part and do it well. Left Half.

KINYON—*"Buck"*

Buck always had the old Tiger fight and played direct football for Central. Right Half.

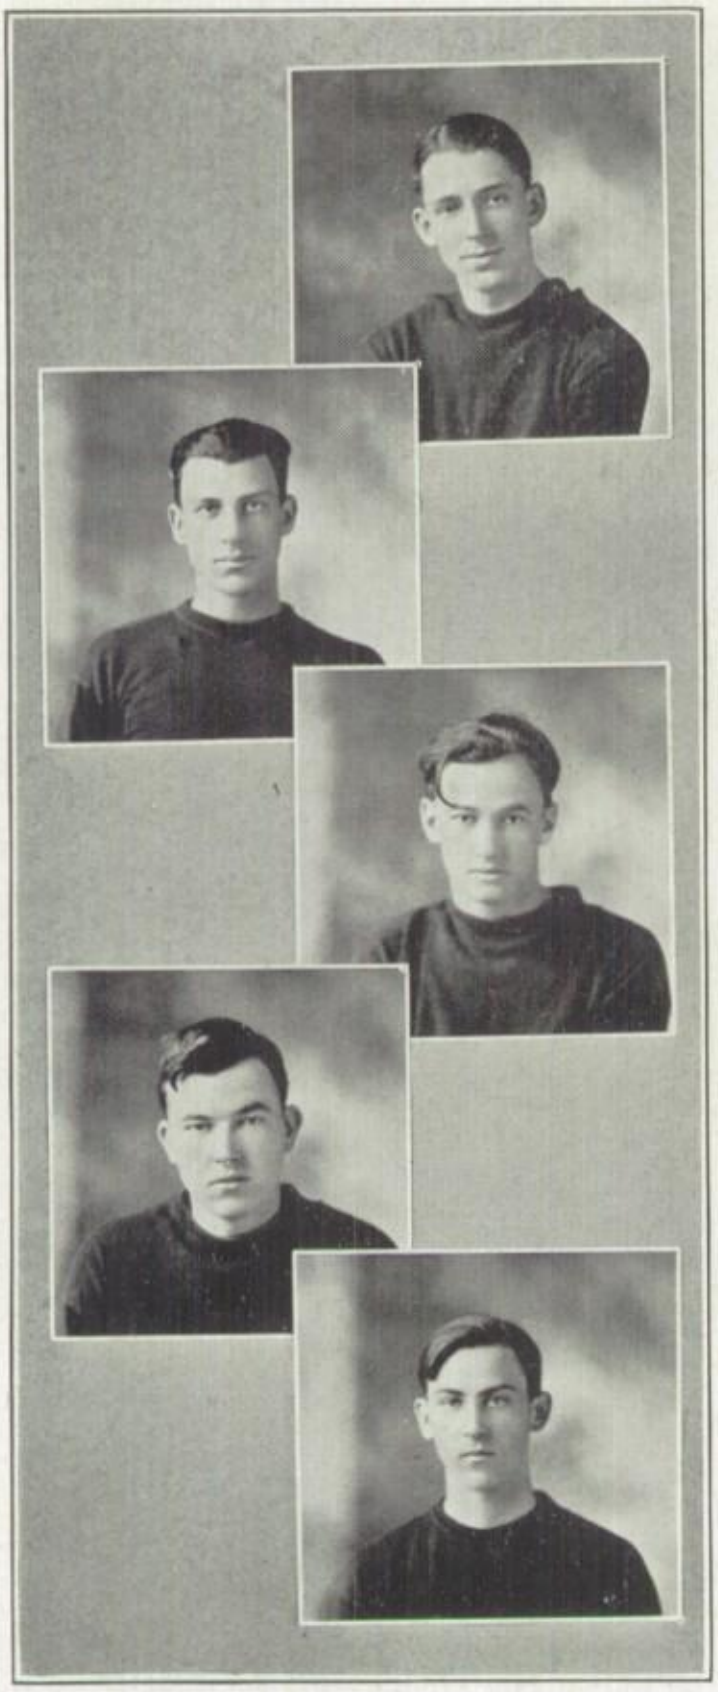
STARKEY—*"Stark"*

Stark was a man that was thought by opponents to have corners all over him, because of the way he hit that line. Full Back.

WICKHAM—*"Duck"*

Duck could always be depended upon for some yards when they were needed. Quarter Back.

The spirit of the Central boys, when the call for football men was sounded by "Hap," is to be commended. The largest squad that ever reported for workouts responded to the call. From this great amount of material "Hap" got a very optimistic opinion of the season. The squad continued to come out, and Coach did not cut it down, considering it a good policy to give all the new men as much practice and experience as possible for future seasons.



Football

BARENKAMP—*"Dep"*

Dep was a real end and had the stuff that makes real Tigers. Left End.

LIMBAUGH—*"Slim"*

Slim was always depended upon to stop the big hams, and he did. Tackle.

BEHRENS—*"Nip"*

Nip was a man who kept up the "Tiger" fight all the time. Guard.

DAVIS—*"Chub"*

Chub was sub-center and he was the kind of a fellow who would stick till the last man fell. Center.

HOLMES—*"Holmsie"*

Suck was a fighting man and always was behind his team. Guard.

The spirit which prevailed at every practice was so good-natured and yet so full of fight that, altho the Tigers only had three weeks workout before their first game, they were able to get in that time more actual practice and experience than they got before in four of five weeks. With such fight and co-operative spirit it was no fluke or miracle that gave C. H. S. a team that went undefeated for the entire season against the strongest teams in this district, and was scored upon for a total of a mere six points.

Football

NEVILLE—*"Battle-Ax"*

Battle made a good tackle and also a good end. He played his hardest all the time. Tackle.

LAMPLEY—*"Sour Kraut"*

Sour Kraut was an end that never failed to break up the opponents' end runs. Right End.

HOLMES, G.—*"Suck"*

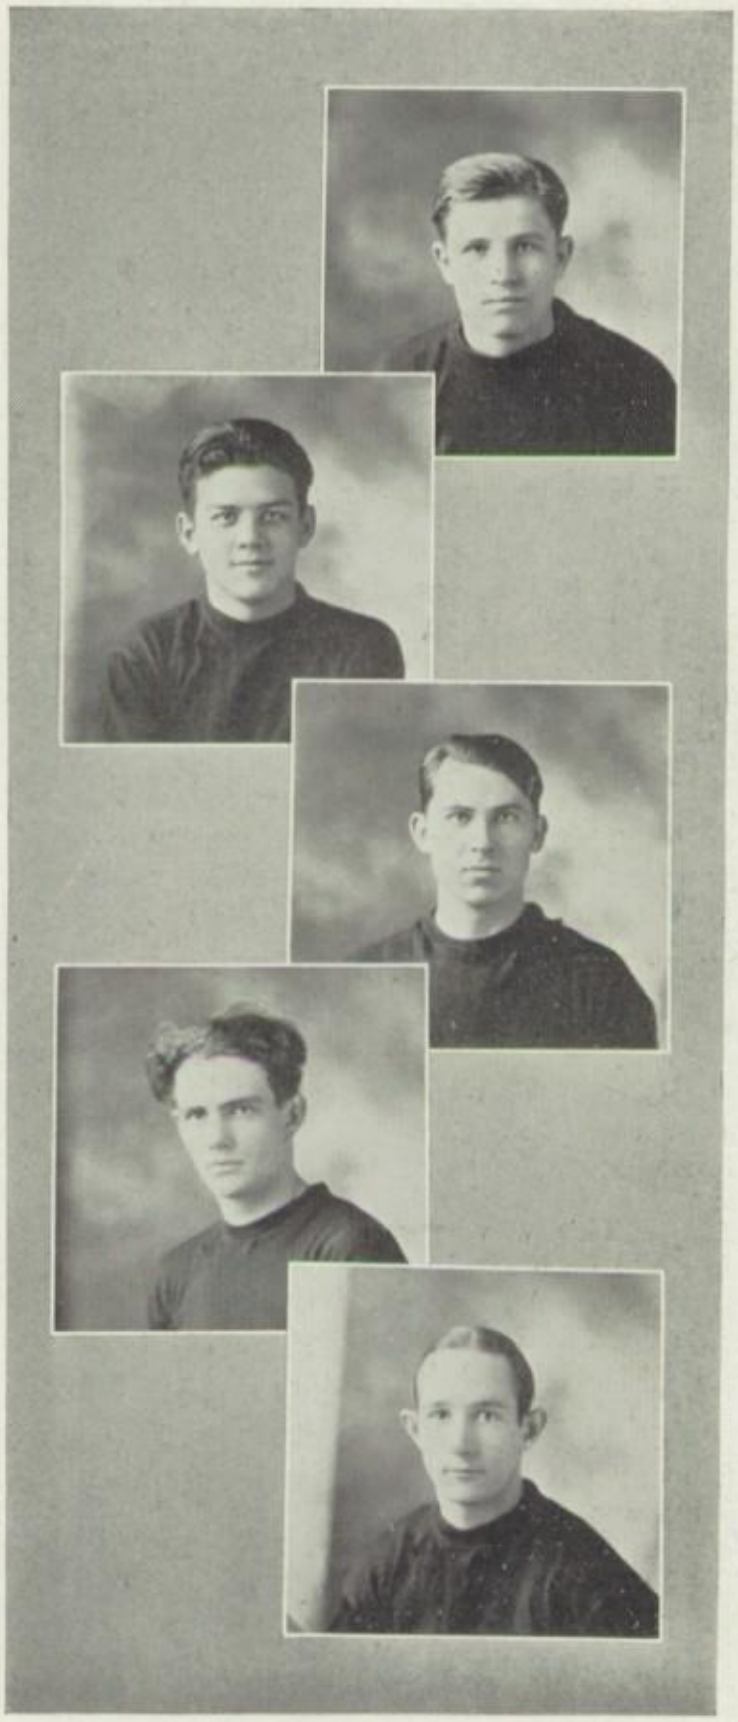
Suck played the game whenever he got in. Sub.

GRANT—*"Red"*

Red was sub-quarter and ran the team well whenever he was called upon. Sub.

CARROL—*"Midget"*

Midget was a small man but his speed made him dangerous at halfback. Sub.



The Tigers this year had the best backfield that has been seen in this part of the state in many seasons. Their combination plays went off with a snap, and the hard hitting backfield was able to make gains through every line they played against. The line was not exceptionally strong but on the defensive they were strengthened by the presence of the strong backfield. The ends were one of the strongest of our scoring powers, and on the defensive they, helped by the tackles, broke up many of our opponents' plays.

Football

With only three weeks practice the Tigers were pitted against the strong Gideon team in an inter-sectional game. This being the first game of the season our boys were determined to win, and in final minutes of the game Koch intercepted a pass and ran thirty-five yards for a touchdown. The game ended 6-0 in favor of Cape.

CENTRAL AT JACKSON

This was a game at which no little interest was shown. The largest crowd that ever attended a football game in Jackson witnessed this one. It was a hard-fought game with Koch and Putz starring on their respective sides. Kinyon hurled a couple of pretty passes to Koch which proved successful and the score totaled 14-0 in favor of Cape.

PERRYVILLE AT CAPE

This game was a "dark horse" in Central's schedule. We had not expected much from Perryville but to our grand surprise they proved to be formidable opponents. Again Koch intercepted a couple of nice passes and ran for touchdowns. Perryville made 6 points, this being the only team that scored on the Tigers all season. This was a real football game, and ended 14-6 in favor of Central.

CHARLESTON AT CAPE

The game was played in a sea of mud and ended 28 to 0 in favor of the Cape. Among all games Central played we never ran up against a more stubborn bunch of men. This game encouraged the Central aggregation very much. They were wanting the Championship pretty bad now.

CENTRAL AT CHARLESTON

Many casualties occurred in this game, but as usual Central came out on top altho Charleston had improved greatly in the two weeks practice they had had since we played them last. The score was 19-0 in favor of Central.

CENTRAL AT PERRYVILLE

This was expected to be a harder game than it really was. The Tigers went on the field with all the pep that could be put in them. Despite the sloping field the Tigers put it over the team to the tune of 21-0. Some of the second string men got to show their fight in the latter part of the game.

JACKSON AT CAPE

This game is one that can be recorded in the pages of history. People came from all parts of Missouri to see this game. The game ended with the score 0-0. This game was played in mud (under water) making it very difficult to make gains. It was interesting and exciting and every one had their money's worth when they left the park. This game closed the Football season of '25. We may well point to this Tiger team as the undefeated champions of S. E. Missouri.

Coach "Hap" Bernard must be given praise and credit for the Championship Football team he has developed this year. His fine spirit and willingness to work with the boys produced a typical Tiger machine.

BASKETBALL

Miss Hutson

This section is dedicated to Miss Jessie Hutson who showed unfailing spirit and sportsmanship throughout the entire basketball season. Though the girls met with hard luck, she was never down-hearted but pepped up everybody with her own spirit. Working hard and steadily with her squad she proved herself worthy of our utmost respect and good will.

Girls' Basketball

At the opening of the Girls' Basket Ball season there was not a first team player from the year before back to play again. The girls who turned out were all raw material and had no playing experience except in a few instances. Considering this fact it would seem that we were to have a poor team. On the contrary we had a fine team which, altho it won no games from regular high school opponents, fought all the way and at the end of the season had some very close scores to their credit. Several games were lost by a very close margin and the girls and Miss Hutson, their coach, deserve praise for the splendid fight and Tiger spirit they displayed at all times.

It will be noticed from the season record below that although the Tigerettes played two champion teams (one of which was Illmo) who have lost but one game in three years they scored just five points less than their opponents and in several cases were barely beaten in return games.

Girls' Basketball

DAISY MCLAUGHLIN

Daisy filled Lou's place well at guard and was not lacking in good floor work and "stick-to-it-iveness." She is 5 feet 2 inches high, weighs 104 and is 18 years old. She will be missed next year.

LURA REED

Lura is a small but quick guard. She plays good team work and fights hard. She is 5 feet 3 inches tall, weighs 108 lbs. and is 17 years old. She will not be back next year.

MAYBELLE SHEPPARD

Maybelle was captain and the backbone of the Tigerettes. Playing at running center she worked harder and faster than any of the members. She is 17 years old, weighs 113 pounds and is 5 feet 3 inches tall. This is Maybelle's last year, and we will miss her greatly.

IDA MARIE SAMPLE

Ida Marie was the other forward. She is 5 feet, 6 inches, weighs 125 and is 16 years old. She will not be back next year.

GWEN WINNINGHAM

Gwen is 5 feet 7 inches tall, weighs 126½ pounds, and is 16. She scored heavier than any other person on the team and will be missed next year. She played the position of forward.

Although the girls were handicapped by a lack of seasoned material, they fought throughout the season. The entire squad seemed to have the success of the team at heart, and fought to make the team as strong as possible. As the season went on and the girls failed to win games, the squad still kept together, cheering the players on and fighting and playing to help them win.

Girls' Basketball

MARIE HERBST

Pee Wee may be tiny but she's right there in basketball. She played at several positions but mostly at guard. She is 5 feet 2 inches, weighs 100 pounds and is 17 years old. This is her last year.

LEONA KOCH

Altho Leona didn't get to play in every game, she played fast and hard while she was in. She is 5 feet, 5, weighs 115 and is 17 years old. She has several more years at Central.

ZELMA DUNKLE

Zelma is 5 feet 8½ inches tall, weighs 138 pounds and is 17 years old. She plays at jumping center and does awfully good work. This is Zelma's first year as well as her last, but she will be remembered for her good record.

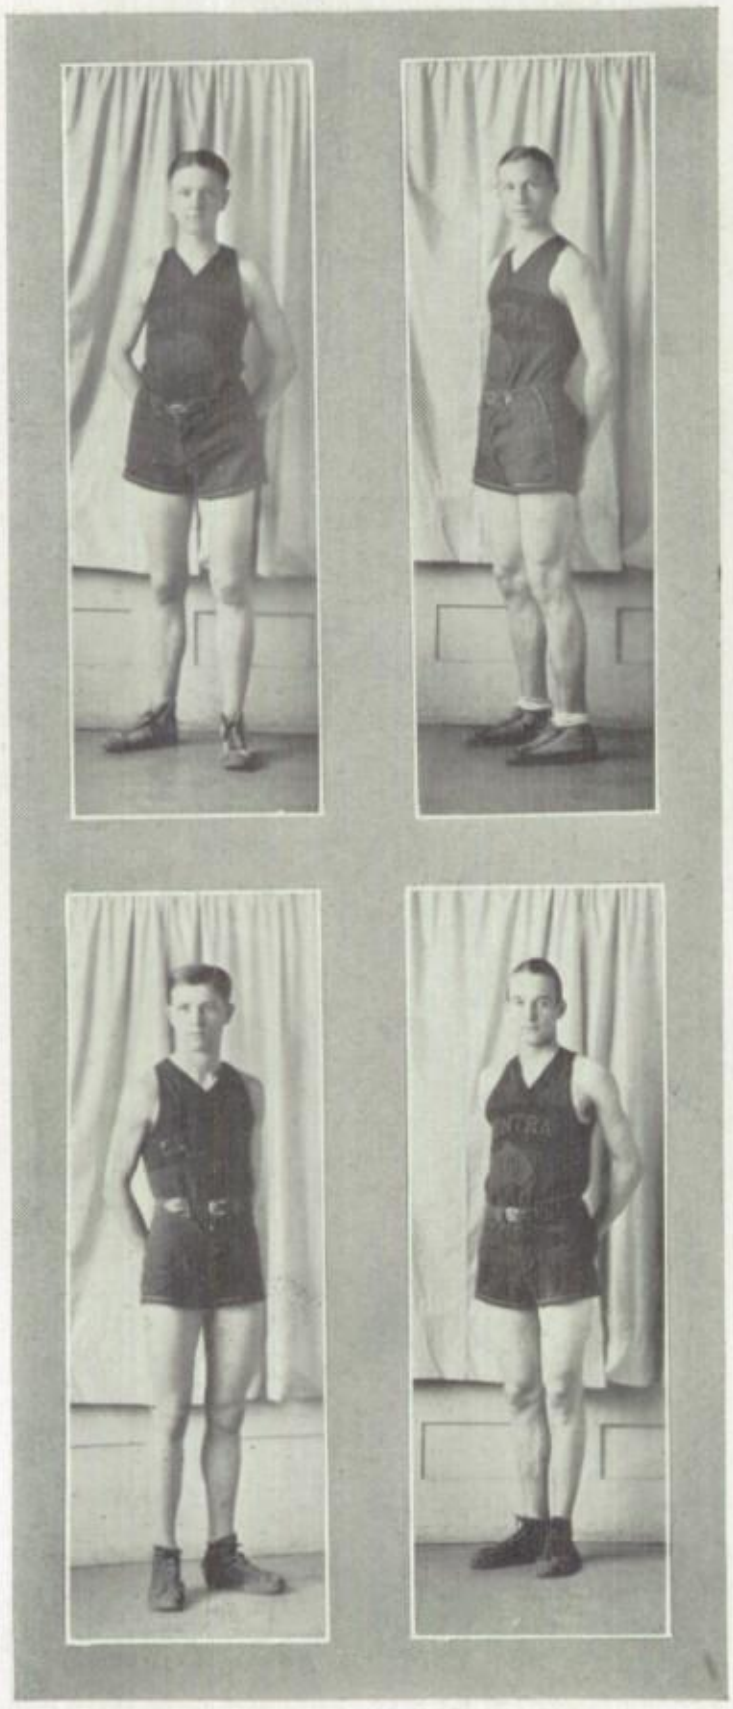
LOU KRUEGER

Lou only got to play two games but they were remembered. She will always be thought of as a real Tigerette. She played the position of guard.

FLOY FINLEY

Floy was eligible for only the first two games, but played both well, as a forward. She is small but her quickness made up for her lack of heighth.

Miss Hutson's fine spirit seemed to be communicated to the girls, and although they lost most of the time they fought so hard that none of the games were walkaways. On the contrary, as the season advanced the girls displayed more and more fight, giving some of the teams that had beaten them pretty badly at the first of the season some mighty hard, close games. The material which was so new this year should make a fine team next year.



Boys' Basketball

GEHRS

"Coco" is 5 feet 11 inches tall and weighs 150 pounds. "Coco" played forward and made a great success of it. He made twenty-seven points in two successive games and was high point man at the Tournament. Gehrs will be missed next year.

MISFELDT

"Josie" is 5 feet 11 inches tall and weights 155 pounds. He played center and was chosen as the All-Southeast Missouri Center. "Way" will certainly be missed next year.

NEVILLE

"Battle" is 5 feet 11 inches tall and weighs 145 pounds. "Battle" took Tubby's place when Tubby was shifted to forward, and made a fine success of the guard position.

DALE

"Tumble" is 5 feet 11 inches tall and weighs 146 pounds. "Tumble" was the other guard. He was the backbone of the Tiger defense and his long shots gave us many points. He was named All-Southeast Missouri Guard. Dale will not play next year.

A very large squad of boys reported for basketball practice. "Hap" started to work with some of last year's subs and soon had the nucleus of a real team. Further inpetus was given the practice by the purchase of entirely new sweat suits for eight men. These were of orange flannel trimmed in fancy black border, with a large Tiger head on the front of the shirt and the nickname of the player on the back.

Boys' Basketball

STARKEY

Harold is 5 feet 11 inches tall and weighs 170 pounds. Harold was sub guard and will be back next year.

BAUERLE

"Louie" is 5 feet 8 inches tall and weighs 125 pounds. "Louie" was sub forward and got into several games. He will probably make the team next year.

MANSFIELD

"Piela" is 5 feet 7 inches tall and weighs 140 pounds. "Piela" was first sub-forward and will be back next year.

HOELLER

Zeno is 5 feet 9 inches tall and weighs 174 pounds. He played sub guard and got into several games. He will be back next year.

The team made a fine showing in these new suits. The fighting spirit of this team did much to help make the big success they did. Their teamwork of short passes with a scarcity of dribbling made them a hard team to guard and they seemed able to work through every team against which they played. Only two men of this fine team will return next year.

The Basketball Season

HURST-BUSCH AT CAPE—The Tigers won this game easily, showing fine form for so early in the season.

OAK RIDGE AT CAPE—This game was a fight from start to finish. The Tigers, by showing fine team work and good defense, won 28-18.

ILLMO AT CAPE—This was an easy game as is shown by the score. The fine pass-work of the team was responsible for their winning 35-21.

VANDUSER AT CAPE—This game was full of thrills. Captain "Tubby" Koch was knocked unconscious for over twenty minutes when he fell while being overguarded. Central won this hard-fought game, 25-17.

CENTRAL AT ILLMO—The scoring power of the team was increased by the changing of Koch from guard to forward. As a result of this and his own return to form Gehrs made 15 of his team's 35 points. Illmo got 12.

CENTRAL AT ESTHER—Despite the long trip the Tigers started the game with a rush that put them well ahead. Central won 44-10.

CENTRAL AT CRYSTAL CITY—At Crystal City the Tigers received their first defeat. After leading at the half, 8-5, the team seemed to grow tired and could not negotiate the large court. Crystal City won 24-12.

MOREHOUSE AT CAPE—With the S. E. Missouri Tournament but a week off the Tigers showed that they were ready by defeating Morehouse 26-14.

THE TOURNAMENT—Central played Blodgett at 8 o'clock Friday morning, March 12. The Tigers showed championship form, winning 42-29.

At 5 o'clock Friday afternoon Central defeated the confident Poplar Bluff five 34-22.

Again the Tigers played. After the two previous games, the Tigers whipped Cardwell at 10 o'clock Friday night, 23-9.

Morehouse, after beating the strong Jackson team Friday night, was beaten by the Tigers Saturday morning, 28-19.

And then, playing the game for the Championship, the Tigers lost to Fruitland by one point. It was a game in which the Tigers seemed unable to get started until the last part, when they played Fruitland off their feet, only to lose, 17-16.

This season has been a real success, and Coach Bernard has certainly helped to make it such. The Tigers scored 337 points to their opponents' 206. Central owes Coach thanks for such a peppy, fighting team as the Central Tigers of 1926.

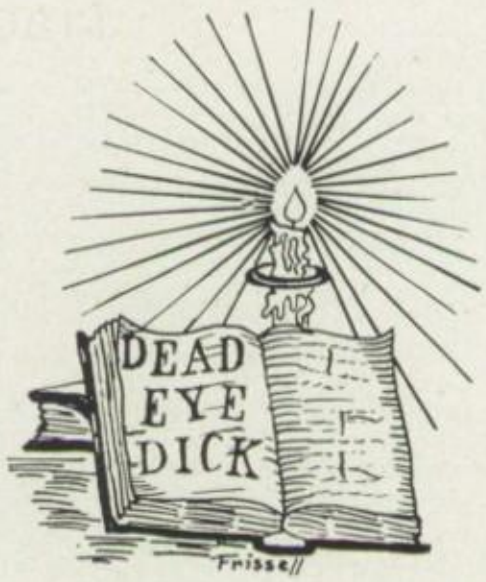
TRACK

Track Season

When the call for track men was issued by Coach Bernard this spring, about forty men came out. The material was all young and inexperienced; most of it being from the Freshman and Sophomore classes. With but about four weeks practice before the Southeast Missouri Annual Track and Field Meet held annually by the Southeast Missouri Teachers College the squad set to work in dead earnest. Rain delayed practice for a week and when the track was in trim, work was resumed and went ahead with a snap. Altho this year's material was all young, we had some mighty fast men. Earl Leslie, Louis Bauerle, Russel Matzen, and Clyde Howe were the four fastest men in the sprints up to 440, and Vance Wright, Robert Cunningham and several others went out for the 880 and mile runs. Meredith Sellards, Joe Delassus, and Percell Culp handled the shot-put, javelin, and discus. In the pole vault Jack Knehans, Norman Kelpe, and Herbert Wickham did their stuff. In the high jump Freeman Andrews was the only man who showed any promise, and he also represented us in the broad jump with Bill Zickfeld. In the relays we had a team which was beaten only by record breaking teams. The team was: Leslie, Bauerle, Matzen and Howe. They placed fifth in the 440 yard relay which was run in 45 4-5 seconds, breaking the United States Inter-scholastic record. In the 880 yard relay the same team placed fourth, the time being 1 minute 38 2-5 seconds, clipping a fifth of a second off the track record. Kennett won both relays.

Altho we got only 4½ points out of this meet; Freeman Andrews won 2½ in the high jump, Louis Bauerle won 1 point in the 440 yard run and the relay team won a point in the half mile relay; we expect to have one of the fastest teams in Southeast Missouri in the next year or two. The whole squad deserves credit for staying out and working the whole time even though they knew that they would have no chance in the meet. Such spirit shows what real Tiger fight is. Here's luck to the entire team next year.



LITERARY

The Tiger Staff

The aim of the Tiger Staff of 1925-1926 was the production of a paper that would meet the needs of Central by stimulating school interest and enthusiasm, and promoting the agencies for good in Central. The Tiger was visualized as a factor in putting Central into the minds of the community through the distribution of news. Acting as a medium for exchange of ideas, it furnished opportunity for expression of the students' opinions on phases of conduct, athletic relations, and the social life around them. School spirit, pride, and loyalty were encouraged by the Tiger and thru it reflected to the students.

To have the Tiger an important contributor to the promotion of regular communication between faculty, students, parents, and the community has been another aim of the Tiger. In accordance with the code of Journalism, an open-minded attitude toward all school and community activities has been the Tiger Staff's policy. The Staff has tried to put in the hands of the students a paper they would be proud to claim as theirs, The Tiger of Central High School.

The Girardot Staff

The Girardot Staff appreciates the help and support of the student body in producing this book. In making this a bigger and better volume than ever before, we have labored and toiled until it has reached our aspirations. We now offer you this Girardot and hope it will please you as much as it has pleased us in making it.

The Debate Team

The question for debate in the High Schools of the State of Missouri this year was: "Resolved, That the Amendment to the United States Constitution Enabling Congress to Regulate Child Labor Should be Ratified by the Several States."

Central, represented by Bob Lamkin and Gerald Shively, entered the competition and won two of the three debates in which they participated. By winning these two contests they won the championship of their district. This is the first time this has been done by Central debators in several years.

The team was coached by Miss Barnidge and Mr. Charles Bess. Alternates on the squad were Louis Bauerle and Jack Knehans.

The debates were as follows:

December 4		Central at Illmo		Negative Affirmative
	Decision		Negative	
December 11		Charleston at Central		Negative Affirmative
	Decision		Affirmative	
January 29		Central at Lilbourn		Affirmative Negative
	Decision		Negative	

Pickles

Pickles

Instead of the annual County Fair which Central has been conducting for several years past, a musical comedy entitled "Pickles" was given on April 15, 1926 at the New Broadway Theatre. The hundred and twenty students who participated and the directors from the faculty worked night and day for six weeks to put "Pickles" over big. They were very successful. The theatre, which seats fourteen hundred people, was filled to overflowing, many people standing wherever there was standing room. One cause for the extremely large attendance is attributed to the advertising given by the "Pickles Parade." A large number of floats helped to make the parade attractive, and the "Tiger Tooters Band" and other organizations turned out in full force.

A brief synopsis of the three-act comedy is as follows: Jonas H. Pennington (Herbert Wickham), an American pickle manufacturer, with his daughter (Nina Hearn) arrive in Vienna at the Wurtzelpraeter Inn, whose proprietor is Hans (Jule Teichman), in time for the annual Carnival. To Pennington's consternation (he is *so* tired of pickles) he finds his advertising expert, Jimmy Jones (Lyman Dale) plastering the town with "Pennington's Peter Piper Pickles" signs and publicity.

An old friend of Mr. Pennington's, Lady Vivian (Louise Elmore) arrives in search of her daughter, who was lost in Vienna at Carnival times years ago. Kinski, (Bob Lamkin) the Chief of Police, plots to substitute Louisa (Erma Michie) a waitress, for the long lost daughter of Lady Vivian, and then marry Louisa for her fortune.

A band of gypsies, led by Jigo (Frank Foster) and his supposed daughter, Ilona (Mary Thomas) arrive in Vienna for thievery during the Carnival. Events lead to the Gypsy camp where a magic pool reveals the face of Lady Vivian's daughter.

Arthur Crefont (Paul Wolters), a poor artist, gains fame and wins the hand of June Pennington. Lady Vivian consents to become Mrs. Jonas Pennington; Kinski's plot is exposed, and Bumski and Rumski (Ben Pott and Dick Cunningham), Kinski's assistants, are out of a job. Ilona is restored to her mother, Lady Vivian, and Jones wins the hand of Ilona, his Gypsy Queen.

The play went off smoothly and the time between acts was well taken up by extra stunts. The choruses, consisting of tourists, Viennese, and gypsies lent color and variety to the scenes. The dancing of Bumski and Rumski, the policemen, and Lawanna Fisher, the Fairy Queen were extremely good and received hearty applause.

All the speaking parts were coached by Miss Lucille Cracraft, while Miss Frieda Rieck and Miss Naomi Pott had charge of the Choruses and Music. Miss Jessie Hutson had charge of the dancing. Much of the credit for the success of "Pickles" should go to Mrs. Næter, who had most of the responsibility and work; and whose patience and pep helped greatly to make "Pickles" such a great success.

May Meet

In the Track and Field events of this meet we won only four and a half points. Jackson won the meet with 48½ points and Kennett finished second with 36¼ points. In the high jump Freeman Andrews tied for second honors but the flip of a coin gave him third place. He earned 2½ points for Central. Louis Bauerle ran a fine race in the 440 to gain fourth place and a point for Central. In the last event of the day, the half mile relay, the Central team placed fourth, winning another point. We will have practically the entire squad back next year and hope to have a winning team.

In the contests of a literary nature Central was fully represented. In Boy's Declamation, Louis Bauerle was our speaker. Louis had hard luck and did not place. In Girl's Declamation Nina Hearn represented us but did not place. In the Extempore Debate, Jack Knehans tied for third place and won a medal. Central was represented by Maybelle Sheppard, Milford Hart, and Lillian Scharf in typewriting. Lillian won fourth place. In the Dramatic contest Central entered Mary Thomas, Katherine Strom, and Mildred Johnson in the play entitled "The Maker of Dreams." This play would have probably won first place but for the fact that it exceeded the time limit. Faye Garner placed third in the music appreciation contest, Albert Feldhoff placed third in the historical essay, William McCart won second in Stock Judging, and Pauline Harger won second in piano. All these contestants deserve credit for their fine work.

DEXTER TYPEWRITING MEET

In the typewriting meet at Dexter this year Central was represented by Maybelle Sheppard, Milfred Hart and Lillian Scharf in the senior division, and Madeline Steger, Joe Sciortino, and Kenneth Smith in the Junior division. Central's team in the Senior division won first place and the right to represent this district in the contest at Columbia. The Junior division placed second. Sikeston won first. We are sure the Junior team will make a fine Senior team next year.

The Columbia Meet

This year saw Central send more contestants to Columbia, Missouri, for the State High School Meet than ever before. Central entered contestants in Agriculture, Home Economics, Declamatory, Violin, Orchestra, and Typewriting.

The orchestra, which under the direction of Miss Frieda Rieck, had worked hard since the beginning of school last fall, won first place in the contest for orchestras. The orchestra this year is an organization of which Central may well be proud. They worked all year, earning money to finance their trip, and practicing with the hope of winning this contest at Columbia and no one can say that they were not well-deserving of the cup they brought home to add to our ever-growing collection. In Class A, in which Central was entered, there were but two contestants. Moberly, the other contestant, has a bigger variety of pieces than Central's orchestra, and has won this contest for the last three or four years against all challengers. We can see that Central High School Orchestra had to "strut their stuff" to beat this worthy contestant. In addition to getting the fine cup awarded the winner, every member of the orchestra got a blue ribbon showing that they won the contest in music.

The Home Economics team came home wearing ribbons too, having won third place in cooking and fourth place in sewing. This team has also worked hard under the direction of Mrs. Bohnsack. The typewriting team, which won the district meet at Dexter, went up against strong competition at Columbia when they met Maryville High. One boy on the Maryville team could write ninety-six words per minute, and wrote eighty-three in the contest. The Maryville team won with an average of sixty-six words per minute. Central's team ran into hard luck when one of our machines broke down in the contest but we placed fifth in spite of this handicap. Maybelle Sheppard was eighth in individual speed, writing fifty-two words per minute.

The Vocational Agriculture team failed to win any honors but they were striving for Central all the time, doing so even to the extent of paying their own way to Columbia. Mr. Roberts accompanied them. Bob Lamkin, representing us in Declamatory, won honorable mention from a field of twenty-four contestants from all over the state. Altho Leo Mueller, our representative in the violin contest, failed to win any place, we know he had some good selections, for he played two for us in assembly that were mighty fine.

Every year Central is branching out, entering more contests, and making a fine showing in each. We hope that next year will see still more people striving as did these people to bring greater glory in more fields to the school that deserves it all—Central High School.

MUSIC

The Orchestra

The Orchestra, under the direction of Miss Frieda Rieck, Music Director of Central High School, was larger than ever this year. The orchestra was made up of over forty pieces and certainly made an enviable record. For the past two years up until last year the Central Orchestra won first honors in the May Meet. Last year there were no other contestants. This year the orchestra has raised enough money by means of hard work on the part of its members to meet the expenses of the trip to the State Meet at Columbia.

The orchestra gave a benefit picture show—"Mike"—after each showing of which they played. Their playing was very favorably received by the large audiences which heard them. They also played at the Rotarian Banquet at the Idan-Ha Hotel given in March. The orchestra has played several times in assembly and should be able to win first honors at Columbia. The whole school is backing them to win.

Boys' Glee Club

The Boys' Glee Club of Central High School has furnished a fine brand of entertainment in several assemblies. They gave a benefit picture show in conjunction with the Girardot Staff at which they sang. Both nights they sang at the theatre they made a big hit. They are working hard to get a series of songs ready for the commencement exercises in June. They have been ably directed by Miss Frieda Rieck.

The Band

The band has produced some good music this year wherever it played. At football games, at conventions, at shows, and in assembly the band came across with real music and put pep and snap into things. The band has bought itself an outfit of orange and black sweaters, white sailor pants, and white sailor caps. To help pay for these suits the Tiger Tooters gave a picture show and played at each performance. Their music was enjoyed by all. The Tooters will accompany the Lions Club to Sikeston in May for the Missouri State Convention of Lions.

CLUBS

The Girls Reserve Club

The purpose of the Girls Reserve Club is to associate young women in personal loyalty to Jesus Christ as Savior and Lord: to promote growth in Christian Character and service through physical, social, mental and spiritual training, in the school and the home; to become a social force for the extension of the Kingdom of God; and to develop Christian Leadership. Membership in the club is open to only those who wish to support the purpose for which Girl Reserve Clubs exist. This club is the most popular one in school and its membership is about 100.

Hi-Y Club

The purpose of this club of Christian boys is: "To create, maintain, and extend, throughout the school and community, high standards of Christian character."

"A CLEAN STANDARD"

In Living *In Athletics*

In Speech *In Scholarship*

HI-Y ACTIVITIES OF THE YEAR 1925-26

The initiation will be remembered by all the members. Dr. Searley's talk to the boys of Central was of untold value to all who heard it. The club had its first public Induction of members this year and it was a fine service. Many enjoyable joint meetings with the Girls Reserve, such as Sunday morning breakfasts, Christmas Carolling, and several devotional services, helped all those present as well as the speakers.

The crowning event of this year was realized when we entertained 325 boys here at the Older Boys' Conference. We were again honored by having a member of our club elected President of the Conference.

We, the members of this year's Hi-Y, who will be graduated hope that you who will be here again next year will get behind your sponsor and make it one of the live clubs again next year.

Student Council Club

Another great stride in the advancement of club life in Central High School was made when the Student-Activity Council was organized by our principal, Belmont Farley, in 1924. Its membership consists of the presidents, vice-presidents, and attorneys of all clubs. The Council holds regular meetings twice a month, and discusses the problems of the school activities.

The Council's chief aims are to obtain a thorough understanding of parliamentary laws and student government.

Junior Dramatic Club

The Junior Dramatic Club was organized for the first time this year and from all indications will be a permanent club in the future. The club is a brother organization to the Red Dagger Club, having the same object and purpose, namely, the study of types of dramatic production. They have learned something of the lives of the great actresses and actors and their successes.

The club has been very active. They put on the play "The Six Who Pass While the Letils Boil" in assembly. They also gave "Dolly's Little Bills" in club. They gave a benefit picture show "Blue Beard's Seven Wives." They gave the Orchestra five dollars to help defray their expenses on the trip to Columbia and gave the Red Dagger Club five dollars to help purchase curtains for the stage.

The Automotive Club

The Automotive Club was organized for the first time this year, with Mr. Weiss as sponsor. The purpose of the club is to give its members a means of studying and understanding the mechanical structure and working of the modern automobile engine and other kinds of gas engines. A one cylinder motorcycle engine was studied at first to get a knowledge of the simple type. Then a Chevrolet touring car was secured and the club studied it. During the whole year at every meeting reports have been made by the members covering all new inventions for the improvement of automobiles and articles on brakes and other things which have proven very interesting and instructive.

The purpose of the Hiking Club is the encouragement of out-door recreation, especially hiking.

At the regular club hours last fall when the weather was agreeable all of the members enjoyed excursions out of doors. One day all of the members invested their nickels in ice cream cones at Baker's Confectionery; on another day they enjoyed walking to town for chocolate bars. On numerous days after school they went on hikes.

During the Christmas Holidays a party was given in the gym. Some of our football heroes were there!

Girls' Athletic Club

The Girls Aathletic Club was organized November, 1925, by Miss Hutson.

The purpose of this organization is to promote interest in the general health of individuals, to increase interest in the major out door sports, such as volley ball, indoor base ball, and hiking, and to improve sportsmanship.

During the winter months the activities consisted of volley ball, apparatus work, and calisthenics. The fall and spring is spent in playing base ball and hiking, with perhaps some games between the club teams and teams of other organizations.

R. S. Club

The R. S. Club was organized last Sepember, 1925, under the supervision of Miss Krueger. It was organized for students interested in Latin, and the life of the Romans. The aims of this club are to give the students a little knowledge of Roman life and customs. The name of this club is the Roman Senate; R. S. meaning "Romanus Senatus." With the money that the club made this year we are planning to buy a picture for the school.

A. O. U. Q. Club

The Mathematics Club was organized October 1921, under the supervision of Miss Fern Garrison and Mr. T. J. Caruthers. The letters, A. O. U. Q. signify Ancient Order of Unknown Quantities. The purpose of the club is to gain a wider knowledge in the field of Mathematics and to foster a social spirit among those interested in Mathematics. The motto is: "There is no royal road in Geometry." The club colors are red and white.

To carry out our purpose the club has studied the lives of famous mathematicians, solved mathematical puzzles and played mathematical games. For further recreation it has had hikes, parties, boatrides and tennis tournaments.

The Art Club

The Art Club of Central High School was organized for the purpose of creating and fostering an interest in art and to make a study of the vocational possibilities in that line of endeavor. During the year the work has been centered upon the vocational arts, the history of art in its various branches, art appreciation, and the presentation of a gift to the school.

An especially interesting study was that of Indian design as applied to pottery. An original design was worked out by each member by combining the Indian symbols. Some work has also been done in clay modeling. As a gift to the school the club has given an original etching, "A Ship Study" by Cafith. A piece of Rockwood Pottery was purchased for the art room and a donation was given the English department to help purchase Tom Barnett's "Down Stream" for the Auditorium.

P. T. A.

The aim and purpose of the Central P. T. A. Circle is to bring the home and the school into closer contact by cooperating with the faculty and students in every way possible. The various activities of the year show what has been accomplished.

Regular monthly meetings were held with instructive programs. Two of these programs were partly furnished by members of the Red Dagger Club and the Orchestra. In February, Founder's Day was observed and the Central Circle furnished one number for broadcasting Founder's Day Program.

The Central Circle cooperated with the P. T. A. Council of the city and had a representative at each of their meetings.

The membership was more than doubled in a membership drive. One delegate was sent to the State Convention in Sedalia.

The High School Circle entertained the mid-year Seniors with a theatre party, gave a banquet for the foot ball boys and the basket ball boys and girls, and entertained the spring Seniors.

Alumni Association

The Alumni Association of Central High School was organized in 1919 through the interest and efforts of Professor Wm. T. Doherty and graduates of the school. Since that time its constant aim has been to foster a spirit of cooperation between the school and the Alumni. The annual banquets have done much toward making closer the ties between the graduates and their Alma Mater.

The presidents of the Association have been:

Mrs. Alvin Harnes	1919
Miss Clara Krueger	1921
Miss Naomi Pott	1923
Miss Clara Krueger	1924
Miss Anna Niermann	1925
Miss Helen Settle	1926

BECKTOLD COVER

The Modern Cover for All types of Books

Although of comparatively recent origin, the Becktold Cover has achieved wide-spread use. The exceptional manner in which it combines beauty and adaptability with permanence and economy have marked it as the ideal binding not only for College Annuals but for all printed works on which a durable and attractive cover is needed.

Becktold Cover presents an almost unlimited range of colors and color-combinations, it is unfailingly and lastingly rich in texture, and it can always be embossed in a design appropriate to the particular book.

We shall be glad to supply sample covers and to make suggestions regarding the use of Becktold Cover on any sort of volume.

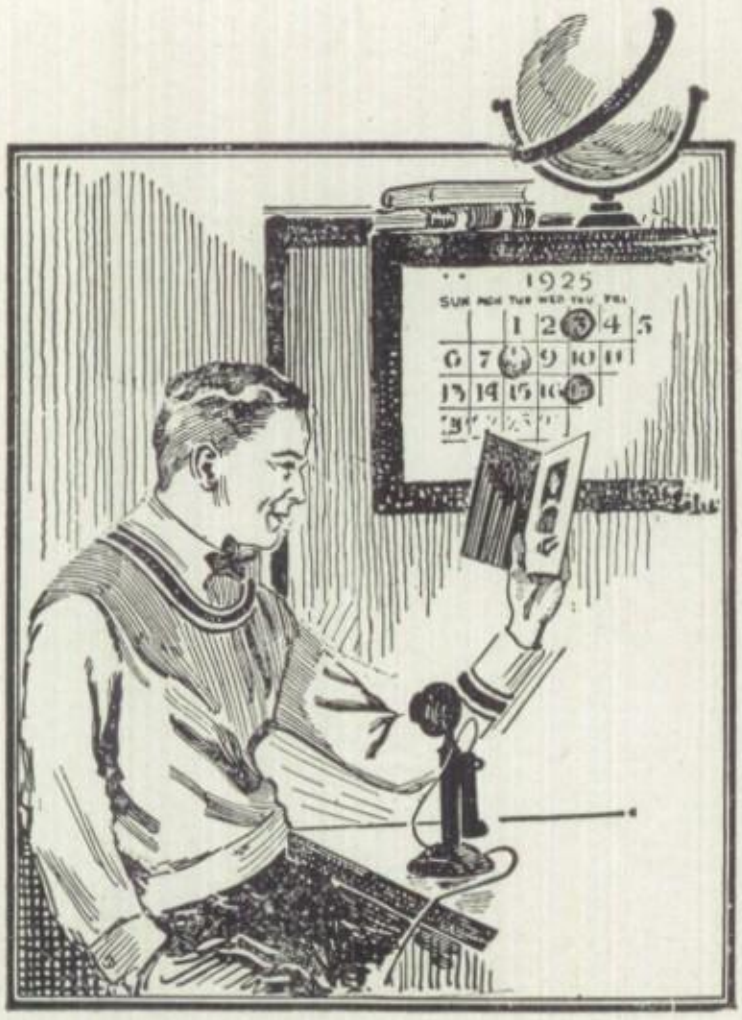
TAKE A WEEKLY TRIP HOME OVER THE TELEPHONE



Hundreds of College Men are taking weekly trips home ' ' over the telephone.

Make a *Telephone Date* With Mother ' ' and Dad!

ONE telephone chat with Mother is worth a pair of fifth-row-center seats at the current edition of the "Follies."

Two are worth a place in the stands on the day of the Big Game.

And *three* ' ' ' well, many a College Man has been known to choose Mother's Voice in preference to his class Prom!

In spite of this popularity of the telephone among College Men, there are still a few vacancies in the ranks! So, if you happen to be one of the non-members, the telephone and telephone service are waiting to connect you with Home and all that it means to you.

Make a Telephone Date with Mother and Dad ' ' for a certain day at a certain hour, every week of your College Life.

OUR AIM

Is to give courteous and painstaking service, to have our customers know us better, and to have our customers know that they can depend on what we say.

We aim to do things for our patrons consistent with good banking, but that most banks do not deem it necessary to do. We want our customers to feel at home, to come to our bank at their will, whether to deposit, to borrow or to await a friend.

We aim to give personal attention to each account, keep strict confidence and offer real banking service—plus.

He: "And do you know that 17,787 elephants were needed to make billiard balls last year?"
She: "Oh, isn't it wonderful that such large beasts can be taught such exacting work?"

Graduate: "It must be three years since I saw you last. You have aged so, I hardly knew you."
Old Grad: "Really! Well, I wouldn't have known you except for that dress."

Bill Magill - Both expert journalists aren't we?!
